

# EXTREME OWNERSHIP MUSTER

---

The Extreme Ownership MUSTER is a two-day **elite leadership development experience** designed to equip leaders, at every level, with practical tools and strategies to drive impact in any organization.

Led by former U.S. Navy SEALs **Jocko Willink and Leif Babin**, the conference is grounded in the powerful leadership principles outlined in their #1 New York Times bestselling book, ***Extreme Ownership***. These principles have transformed teams and businesses across industries, and they can do the same for yours.

By attending the MUSTER, you'll gain **clear, tactical leadership solutions** to real-world challenges like improving team performance, resolving conflict, reducing inefficiencies, and meeting high-stakes deadlines. You'll walk away with the tools to take ownership, solve problems, and lead your team to win.

If your company values leadership, accountability, and excellence, this is an investment in your growth and their success.

This packet is designed to help you make the case.

## ➔ USE IT AS A RESOURCE TO:
